Description: The illustrator Andrew Loomis (1892-1959) is revered amongst artists - including the great American painter Norman Rockwell and comics superstar Alex Ross - for his mastery of figure drawing and clean, Realist style. His hugely influential series of art instruction books have never been bettered. Drawing the Head and Hands is the second in Titans programme...

Review: The 3 stars are based in comparison to the other Loomis books which are excellent. This is why I reservedly only give it a 3. I was expecting much more actual drawing and this book seemed more sparse in information than the others. So while the book is useful and instructive it is more an add it to your Loomis collection. If you are new to the artist...
